The Mummy at the Dining Room Table was amusing and kept my interest peaked. Well -written. The resounding theme and best therapeutic intervention is active listening, trust, empathy and "to be present and listen to your patients." These attributes have been the most effective in working w/ difficult/unusual cases.

The Editing Room has been around since 1998 and features over 1,000 Abridged Scripts for movies. Abridged Scripts are short(-ish) screenplays for films that just cover the highlights. They're like Cliff's Notes for your favorite movies, except Cliff thinks your favorite movie sucks.

The Mummy (1999): The Abridged Script | The Editing Room

The Mummy has been remade and reinterpreted more than a dozen times at this point, and it ' s hard to discount the charm of the monstrosity. Like a lot of great villains, Imhotep ' s rationalizations are fairly reasonable. ... He just wanted to eat pancakes in the dining room with the rest of the seniors. Telling yet another horror fan what it ...
